

The Villas at Mother Angeline Memory Care Assisted Living

The Villas at Mother Angeline provides specialized services and safety in a comfortable home-like setting. Our community is small in size which lends to our caring, non-institutional setting, creating an environment that allows residents to keep their independence and feel right at home with services always close by. Our specially-trained team focuses on empowering each resident and promoting independence, while also meeting each individual's unique needs. The location is close to major interstates, yet privately tucked away on 15 landscaped acres of pastoral wooded grounds.

The Villas at Mother Angeline will truly be home as you furnish our studio apartments with your own familiar belongings and memories of home. With affordability being of utmost importance, there is no entrance fee or endowment required!
